5. [REDACTED] LIAISON I called Amber Scholtz, on the staff of Representative Paul N. McCloskey, Jr. (R. Cal.) pertaining to information the Congressman had requested of [REDACTED] (b) (7) (d) a Russian. Scholtz also raised a question concerning [REDACTED] (b) (7) (d) the classification and sanitization of Agency material and I asked her to send me a copy of the document in question, which she will.

6. [REDACTED] LIAISON Spoke to Bob Kimmitt, NSC staff, concerning legislative history of Section 15B as it relates to Senator George McGovern's (D., S. Dak.) letter of October 3, 1978.

7. [REDACTED] LIAISON Took a call from Mike Glennon, Legal Counsel, Senate Foreign Relations Committee, who said that the Subcommittee on International Operations would like to go ahead with the general briefing on foreign liaison offered by the DCI in his 12 October letter to Subcommittee Chairman George S. McGovern (D., S. Dak.). I told Glennon that we would probably want a letter from Chairman McGovern on this point, and that I would be back in touch with him regarding scheduling of the briefing.

8. [REDACTED] ADMINISTRATIVE DELIVERIES Delivered a copy of the CIA Liaison primer package to Mike O'Neil, Chief Counsel, House Permanent Select Committee on Intelligence.

9. [REDACTED] LIAISON Diane LaVoy, House Permanent Select Committee on Intelligence staff, called with a request to talk to George Allen, Director, Center for the Study of Intelligence, about some of the Studies' products. I appraised [REDACTED] DDA, and [REDACTED] OTR, of this request.

10. [REDACTED] BRIEFING Accompanied Dick Giza, and Pat Long, both of the House Permanent Select Committee on Intelligence staff, to a briefing by [REDACTED] NFAC, in [REDACTED] office (7F18). The briefing was on the procedures for community reporting on SALT verification. The briefing was thorough and there were no outstanding questions.

11. [REDACTED] LIAISON Thomas K. Latimer, Staff Director, called requesting an Agency response for Chairman Edward P. Boland (D., Mass.) on the veracity of the 2 October 1978 article in the New York Magazine by Michael Ledeen about CI Staff having planted false information in high USG circles to find out whether there was in fact a "mole." I have passed this request on to [REDACTED] PCS/LOC.
